

Amplify Wireless Occupancy Sensor

EXPANDING SECURITY ONE SENSOR AT A TIME

Extend your security and situational awareness with comprehensive occupancy insights.

INSIGHTS FOR ALL YOUR SPACES

Connect up to three Amplify sensors to your Halo Smart Sensor and receive real-time notifications in Halo Cloud when thresholds are met.

MANAGE PRIVACY CONCERNS

The Amplify Wireless Occupancy Sensor operates without video or audio recording to protect all personally identifiable information.

ALERTS FOR WHAT MATTERS

Get notifications for occupancy, stationary time and motion to stay on top of potential safety and security issues.
