High performing, audio video connectivity delivered in plastic free packaging

experience different with **aura**

Aura is the new name in Audio and Visual cables and connectivity brought to you by the team at Mayflex. Aura brings a different approach to an established market.

Using over 20 years of experience we have developed products that are reliable, easy to use, enhance system performance and in an industry first, the entire product set is supplied free of single use plastic packaging.

Mayflex, a Sonepar company, are established leaders in the local area network, LAN, market having brought the Excel brand to the market over 20 years ago. We have taken this connectivity experience added to it with expertise from the AV market and the result is Aura, a one stop shop for audio and visual cables and connectivity.

Our approach when developing the brand has been two-fold, first to lead with product design and performance features and not just price, second to stay close to our principles and remove all single use plastic from the product packaging – an industry first.

So, if you are looking for HDMI cables produced with the softest, most flexible, yet durable TPE jackets, HDMI extenders with high performance resolution and long distance, or a wide range of modular Euro style outlets contact us today and experience different, experience Aura.

#### Hear the difference

Aura audio cables and connectors ensure audible clarity of the highest standard, first time, every time.

#### See the difference

Aura display cables and connectors ensure visual resolution of the highest standard, first time, every time.

#### Feel the difference

Aura cables are produced with TPE jackets ensuring durable but highly flexible installation and user experience, first time, every time.

#### Plastic free packaging

Aura is different from the moment your delivery arrives. In an industry first we have removed all single use plastic packaging from all product, first delivery, every delivery.

#### Uncompromised quality

Aura products are designed for the professional installer, no corners are cut, not short cuts taken, just the highest quality cables and connectors, first time, every time.

#### Performance by design

Aura products are designed to provide best in class performance over extended lifetimes and in a range of environments, first time, every time.

## 100% Single Use Plastic Free Packaging

We really care about the environment and to this end all the Aura products are protected in packaging which is free from single use plastic and is made from materials which are 100% recyclable, a first for any AV vendor in the market today.

Our stylish and distinctive packaging not only protects the products, but each box is clearly labelled and, in many cases, includes photographs and highlights the key features of the products enclosed, so you know exactly what you're getting before you open the box.

By installing Aura for your AV requirements, we will save hundreds, thousands and eventually millions of single use plastic bags from entering the supply chain and ultimately going into landfill.

## Saves Time

Our single use plastic free packaging not only helps the environment, it will also save you time on site – no more opening numerous plastic bags and disposing of them.

Several of our product ranges, for instance, HDMI Tails, keystones and Euro modules are even delivered as multipacks of 10 or 30 on a cardboard tray, made from 100% recycled cardboard. By using these multipacks, as well as helping the environment, you will save a considerable amount of time by not having to open individual single-use plastic bags.

**Help the environment, install Aura for your AV requirements.**

High performing, audio video connectivity delivered in plastic free packaging

### Aura MF100 LSZH Coax Cables

#### Overview

Aura MF100 is a 75ohm coaxial cable with 1.0mm Dia copper inner conductor, foam PE insulation, aluminium foil wrap, tinned copper braid and LSZH outer sheath both meeting Eca Standards. CAI Approved, Certificate CAI0157A

#### Key Features

- CAI Approved Eca CPR Class cable • LSZH cable Sheath
- Available in Black or White • Packaging 100% Recyclable
- Choice of reel size • Connectors also available

Part Code	Description
AR-01-004	Aura Coax Cable MF100 LSZH Eca 75Ohm Black 1M Outer Dia 6.6mm CAI Approved
AR-01-104	Aura Coax Cable MF100 LSZH Eca 75Ohm Black 100M Outer Dia 6.6mm CAI Approved
AR-01-204	Aura Coax Cable MF100 LSZH Eca 75Ohm Black 250M Outer Dia 6.6mm CAI Approved
AR-01-204W	Aura Coax Cable MF100 LSZH Eca 75Ohm White 250M Outer Dia 6.6mm CAI Approved

## AR-01-107 / 108

### Aura RG59 Coax Cables

#### Overview

Aura RG59 is a 75ohm coaxial cable with 0.58mm Dia copper clad steel inner conductor, Solid PE insulation, copper clad aluminium braid and PVC or LSZH outer sheath both meeting Eca standard.

#### Key Features

- Eca CPR Class cable • PVC or LSZF cable types
- Supplied in Black • Packaging 100% Recyclable
- Reel size of 100M • Connectors also available

Part Code	Description
AR-01-107	Aura Coax Cable RG59 PVC Eca 75Ohm Black 100M Outer Dia 6.15mm
AR-01-108	Aura Coax Cable RG59 LSZH Eca 75Ohm Black 100M Outer Dia 6.15mm

## AR-01-113 / 114

### Aura RG6 Coax Cables

#### Overview

Aura RG6 is a 75ohm coaxial cable with 1.02mm Dia copper clad steel inner conductor, foam PE insulation, aluminium foil ,aluminium braid and PVC /LSZH outer sheath both meeting Eca standard.

#### Key Features

- Eca CPR Class cable • PVC or LSZF cable types
- Supplied in Black • Packaging 100% Recyclable
- Reel size of 100M • Connectors also available

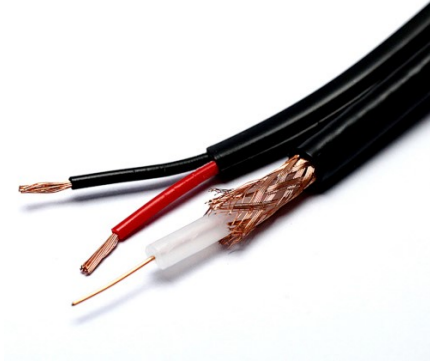

Part Code	Description
AR-01-113	Aura Coax Cable RG6 PVC Eca 75Ohm Black 100M Outer Dia 6.6mm
AR-01-114	Aura Coax Cable RG6 LSZH Eca 75Ohm Black 100M Outer Dia 6.6mm

## AR-01-109 to 112

### Aura Coax Cable RG59 Shotgun

#### Overview

Aura RG59 Shotgun is a 75ohm coaxial cable and 0.5mm or 0.75mm red/black Power cable for CCTV systems. Cable features 0.58mm Dia copper clad steel inner conductor, Solid PE insulation, copper clad aluminium braid and PVC or LSZH outer sheath both meeting Eca standard. Also features red and black insulated stranded copper power conductors in overall PVC/LSZH outer sheath.

#### Key Features

- Eca CPR Class cable • PVC or LSZF cable types
- Available with 0.5mm or 0.75mm Power
- Packaging 100% Recyclable
- Reel size of 100M • Connectors also available

Part Code	Description
AR-01-109	Aura RG59 Shotgun 2x 0.5mm PVC Eca 75Ohm Black 100M Outer Dia 6.15mm
AR-01-110	Aura RG59 Shotgun 2x 0.5mm LSZH Eca 75Ohm Black 100M Outer Dia 6.15mm
AR-01-111	Aura RG59 Shotgun 2x 0.75mm PVC Eca 75Ohm Black 100M Outer Dia 6.15mm
AR-01-112	Aura RG59 Shotgun 2x 0.75mm LSZH Eca 75Ohm Black 100M Outer Dia 6.15mm

## AR-01-115

### Aura MF125 Coax Cables

#### Overview

Aura MF125 is an external 75ohm coaxial cable with 1.25mm Dia copper inner conductor, foam PE insulation, copper coated aluminium foil, copper clad aluminium braid and SPE outer sheath

#### Key Features

- Eca CPR Class cable • PVC or LSZF cable types
- Supplied in Black • Packaging 100% Recyclable
- Reel size of 100M • Connectors also available

Part Code	Description
AR-01-115	Aura Coax Cable MF125 PE Fca 75Ohm Black 100M Outer Dia 7.8mm

### Aura Jack to Phono Audio cables

#### Overview

The Aura 3.5mm Jack to Phono Audio cables are a high quality fully shielded OFC copper cable product. These Premium 3.5mm Jack Audio Phono cables are made using 28 AWG copper conductors with matching shielding ensuring good conductor abilities and very good protection against outside interference. Connectors are robustly terminated onto the cable with gold plated contacts minimising degradation in connection contacts. Insulation of the cables is a TPE outer sheath providing greater flexibility.

#### Key Features

- High quality OFC conductor • TPE Outer sheath
- Fully Shielded cable • Plastic Free Packaging
- Solid Gold plated contacts • 10 Year Warranty

Part Code	Description

### Aura Standard HDMI V2.0 cables

#### Overview

These high quality 4K 60Hz HDMI cables are made using 26 to 28 AWG copper cores with similar shielding ensuring strong signal abilities and good protection against outside interference. Connectors are robustly constructed with gold plated contacts. Insulation of the cables is a TPE outer sheath providing greater flexibility. Meets HDMI Standard V2.0

#### Key Features

- High quality OFC conductor • 4K 60Hz Resolution
- Fully Shielded cable • Plastic Free Packaging
- Gold plated contacts • 10 Year Warranty • 7.20mm Ø cable

Part Code	Description
AR-04-001	Aura 4K HDMI Cable 60Hz 18Gbps 0.5M High Speed Ethernet Gold Plated

### Aura Slim HDMI V2.0 cables

#### Overview

The Aura Slim 4K HDMI Cables are a high-quality OFC copper cable product. These high quality 4K 60Hz Slim HDMI cables are made using OFC copper cores with similar shielding ensuring reliable signal strength and protection against outside interference. Connectors are robustly constructed with gold plated contacts. Insulation of the cables is a TPE outer sheath providing greater flexibility. Meets HDMI Standard V2.0

#### Key Features

- High quality OFC conductor • 4k 60Hz Resolution
- Fully Shielded cable • Plastic Free Packaging
- Gold plated contacts • 10 Year Warranty • 4.50mm Ø cable

Part Code	Description
AR-04-009	Aura 4K HDMI Cable Slim Series 60Hz 18Gbps 0.5M High Speed Ethernet Gold Plated
AR-04-010	Aura 4K HDMI Cable Slim Series 60Hz 18Gbps 1M High Speed Ethernet Gold Plated

#### Overview

## AR-04-102 to 106

### Aura Active HDMI V2.0 cables Directional

Aura Active 4K HDMI Cables are a high-quality OFC copper cable product featuring an active HDMI Chipset. These high quality Directional 4K 60Hz / 4K 30Hz Active HDMI cables are made using OFC copper cores with similar shielding ensuring reliable signal strength and protection against outside interference. Connectors are robustly constructed with gold plated contacts. Insulation of the cables is a TPE outer sheath also providing greater flexibility.

#### Key Features

- 4K 60Hz 4:4:4 18Gbps Performance • TPE Outer sheath
- Active Chipset within HDMI Plug • Plastic Free Packaging
- Fully Shielded Directional cable • 10 Year Warranty

Part Code	Description
AR-04-102	Aura Active HDMI Cable 4K 60Hz 18Gbps 10M Directional High Speed Ethernet Gold Plated

## AR-07-101

### Aura USB 2.0 Extender

#### Overview

This Aura product extends USB 2.0 signal between Transmitter and Receiver over twisted pair CATx cable. It supports USB 2.0 signals up to 50M and does not require any power. The transmitter and receiver have short fly leads on each, the receiver being female USB, so a short male to male lead will be required for the final connection.

#### Key Features

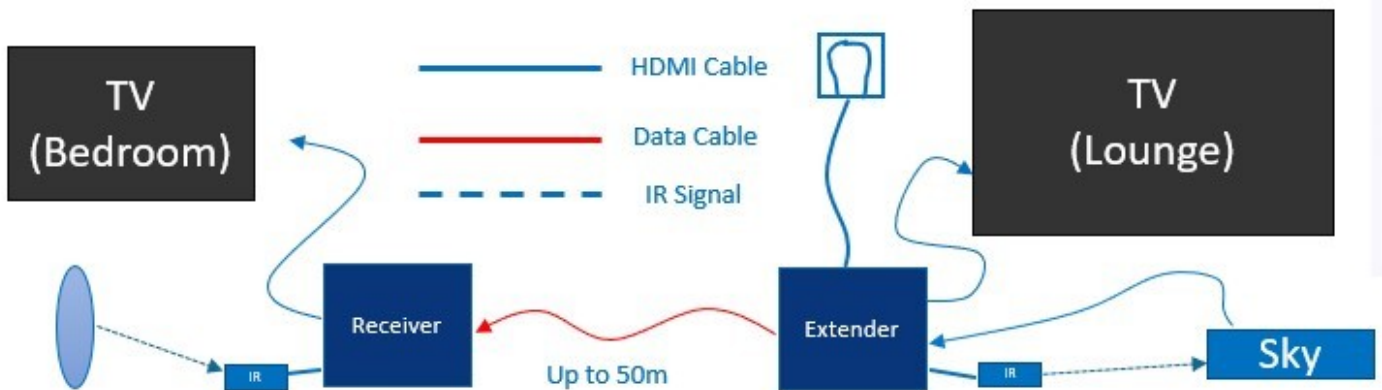

- High quality OFC conductor • Extends USB 2.0 up to 50M
- Fully Shielded cable • Plastic Free Packaging
- No external power required • 10 Year Warranty

Part Code	Description
AR-07-101	Aura USB Extender over Data Cat5e USB2.0 50M

HDMI extenders allow HDMI signals to be sent over network type cables such as Cat6. Extenders simply allow an HDMI signal to be sent from A to B, as shown below. Typically they will support lengths of 50M to 70M.

- **Local loop out** – you can retain the local signal being extended for local TV.
- **IR Pass thru** – also support Infra Red remote control signals
- **PoC** – Power over Cable, provides power to another device over the Cat6

## V1.4 HDMI Extender

- HDMI V1.4, 4K 30Hz @ 50m or 1080P @ 80M
- Local Loop out
- Bi-Directional IR
- PoC power over CAT
- Power by 5v USB
- EDID management

## V2.0 HDMI Extender

- HDMI V2.0, 4K 60Hz 4:4:4 @ 70M
- Or 1080P @ 80M
- Local Loop out
- Bi-Directional IR
- PoC power over CAT
- Powered by 12v
- EDID management

## AR-40-101

### Aura HDMI V1.4 extender over Cat5e/Cat6

#### Overview

This Aura product extends HDMI signal between Transmitter and Receiver over CATx cable. It supports 4K 30Hz up to 50m or 1080p 60Hz video signals up to 80M including embedded multi-channel audio and HDCP 1.4. Built-in EDID make this product compatible with most display and source device, to ensure HDMI transmission. Advanced power design (PoC) allows this product to be powered at Transmitter, and only one power supply is required. In addition, it can send/receive IR signals each other over the same CATx cable with IR pass through.

#### Key Features

- HDMI V1.4, 4K at 30Hz 4:4:4, HDCP 1.4
- PoC, Tx Powers Rx, 5V USB
- Extension up to 4K to 50m, 1080p to 80m.
- Bi-directional IR pass-through
- HDMI local loop out

Part Code	Description
AR-40-101	Aura HDMI V1.4 Extender 4K 30Hz to 50m or 1080p to 80m, PoC, Local Loop out, IR Pass-thru

## AR-40-102

### Aura HDMI V2.0 extender over Cat5e/Cat6

#### Overview

This Aura product is a high performance point to point extender set for 4K HDMI 18Gbps with IR signal support and local loop out. This kit supports 4K/UHD video at 60 Hz with 4:4:4 Chroma sampling, as well as HDMI data rates up to 18Gbps, HDCP 2.2 compliant. It supports an HDMI transmission distance of up to 70 meters for 4K 60Hz 4:4:4 or 80 meters at 1080p, over single CAT5e/6 cable. It also supports video resolution down-scaling with the 4K input be automatically downscale to 1080p output for compatibility with 1080p display.

#### Key Features

- HDMI V2.0, 4K 60Hz 4:4:4, HDCP 2.2
- PoC, Tx Powers Rx, 12V DC
- Extension up to 4K to 70m, 1080p to 80m
- Bi-directional IR pass-through
- HDMI local loop out

Part Code	Description
AR-40-102	Aura HDMI V2.0 Extender 4K 60Hz to 70m, PoC, Local Loop out IR, Pass-thru

# AR-40-104

## Aura HDMI USB (KVM) extender over Cat5e/Cat6

### Overview

This Aura HDMI USB KVM extender enables control of a workstation or PC with keyboard and mouse, whilst viewing the video source up to 120m away from the workstation or PC. It extends an HDMI signal between Transmitter and Receiver over a single CAT6 cable and supports two USB devices in the reverse direction. 4K at 30Hz HDMI video signals up to 120m including HDCP 1.4. Supports 2x USB 1.1 signals from receiver back to transmitter for KVM functions.

### Key Features

- HDMI V1.4, 4K at 30Hz 4:4:4, HDCP 1.4
- PoC, Tx Powers Rx, 12V DC
- Extension up to 4K to 120m including USB
- Supports 2x USB 1.1 to 120m
- HDMI local loop out • Only requires a single Cat6 link

Part Code	Description
AR-40-104	Aura HDMI V1.4 USB KVM Extender 4K 30Hz at 120m PoH 2x USB HDMI1.4-HDCP1.4

# AR-40-108/109

## Aura HDR HDMI Splitter

### Overview

Aura AR-40-108/109 are 1x2 and 1x4 HDMI 18Gbps splitters for AV solutions. These HDMI Splitters let you simultaneously distribute one HDMI input signal to 2 or 4 HDMI displays. It supports HDMI video resolutions up to 4K at 60Hz 4:4:4, HDR10, Dolby Vision, firmware upgrades, and is HDCP 2.3 compliant.

### Key Features

- Auto Downscaling
- Splitters Powered by 5v USB, switch via HDMI
- HDCP2.3 compliant
- Support 4K 60Hz 4:4:4 HDR10
- HDCP 2.3 compliant

Part Code	Description
AR-40-108	Aura HDR HDMI Splitter 4K 60Hz 1in 2out Out Auto Downscaling
AR-40-109	Aura HDR HDMI Splitter 4K 60Hz 1in 4out Out Auto Downscaling

# AR-40-110

## Aura HDR HDMI switch

### Overview

AR-40-110 is an HDMI 18Gbps 3x1 Switcher. It is an auto switcher with three HDMI video inputs and one HDMI output. It supports HDMI video resolution up to 4Kx2K at 60Hz 4:4:4 HDR, Dolby Vision and multichannel audio. It is powered by the HDMI input source and no need of any external power supply, is controlled by the IR remote and supports CEC pass-through.

### Key Features

- Auto Downscaling
- Splitters Powered by 5v USB, switch via HDMI
- HDCP2.3 compliant
- Support 4K 60Hz 4:4:4 HDR10
- HDCP 2.3 compliant

## Aura HDMI over IP Encoder / Decoders 1080p PoE

### Overview

This Aura IP Streaming Encoder (Tx) and Decoder (Rx) uses the Audio video coding standard H.264 to extend HDMI video, IR and RS232 control signals over a dedicated IP network. They work with one control PC (Wake on LAN) and one switch whose transmission rate is 100Mbps or higher to control a variety of functions via the IP Streaming Management software.

### Key Features

- Supports 1080p up to 120m from switch
- Bi-directional IR & RS232 Control
- PoE supported, or optional 12v DC
- HDMI Local Loop out on Tx
- Audio breakout and USB Video Recording
- Use with IP Streaming Management software

Part Code	Description
AR-40-201	Aura HDMI over IP Encoder Transmitter 1080p PoE
AR-40-202	Aura HDMI over IP Decoder Receiver 1080p PoE
