AEM Customer Care Plan

AEM's commitment to customer satisfaction sets the CV-100 Platform apart from other cable certification testers. With no extra fees, such as care plans, to worry about for three years, the AEM CV-100 Platform offers peace of mind for any business owner. Plus, accidental damage cover is included, ensuring you won't be left with unexpected expenses. So, if you're tired of dealing with extra costs and hidden fees from your current tester manufacturer, it's time to make the switch to the **AEM CV-100** Platform.

AEM's care plan includes all free calibrations for three years and the replacement of worn-out adaptors and accessories, which will be replaced once a year. So, there are no unexpected costs when you invest in AEM certification testers.
