

Camera Exchange Program

Replace Your Old Cameras!

This special offer is the perfect opportunity to present the latest MOBOTIX technology to your customers and offer them an affordable option to upgrade within the scope of existing projects.

How Can I Take Part In The Program?

Don't hesitate and **receive an attractive discount** of all new cameras and accessories on the list price (for detailed pricing contact your distributor).

Specify the name of your customer's project, the camera models installed within the project and their IP addresses (e.g., M12D-Sec-DNightDxxNxx, 10.x.x.x), while at the same time ordering the new replacement cameras from any class of model.

Orders can be placed starting now. You will receive a **three-year warranty** on all new models. MOBOTIX MOVE are completely excluded.

Terms And Conditions:

Products will be shipped from our factory in Langmeil, Germany. Prices do not include taxes and duties. Prices subject to change. Errors excepted.

We hereby accept the Terms and Conditions and agree to disassemble and remove the **cameras listed on the return forms and return them within 30 days**. The number of new cameras ordered must be identical to the number of earlier models that were removed. MOBOTIX AG handles the process of returning old cameras which takes place after the cameras are disassembled and returned. You are responsible for shipping them to MOBOTIX AG at your own cost. MOBOTIX AG will bear the costs of disposal. We are entitled to subsequently invoice the difference in price to the regular terms available to you for replacement models already received at a discounted price if these newly ordered cameras were not exchanged for older models within 30 days.

The high-performance 6MP camera system from MOBOTIX delivers up to twice as many images per second than its former model. And with the brand new MOBOTIX 7 platform (M73), MOBOTIX is expanding its powerful camera system with a 4K model series. All models support the full range of features available with the video management software MxManagementCenter (MxMC) as well as **MxActivitySensor**, **MxAnalytics** or the new **App-Technology** by AI Tech for the MOBOTIX 7 Platform.

The camera exchange program covers all M73, M16, M16 Thermal, D16, S16, S16 Thermal, Q26, M26, D26, T25, c26, i26, v26, p26 and MxDisplay+ models (go to www.mobotix.com to view the products and lens table). You will **receive an attractive discount** on the list price. This discount shall apply to an unlimited number of replacement cameras, for as long as supplies last. MOBOTIX MOVE cameras are excluded from the special offer.

The fastest way to order is to fill in the order form, sign it, scan it, and e-mail it to your local distributor. Only fully completed and legible orders (block letters only) will be accepted.
