T&C apply

Program Overview

The Ruijie 'Not For Resale' (NFR) Promotion provides customers with an opportunity to purchase one unit of each eligible Ruijie product line at a discounted rate for evaluation and testing purposes.

Eligibility Criteria

Each customer is limited to one unit per eligible product line.

Products purchased under this program are strictly not for resale and must be used only for internal testing, training, and demonstration.

Application & Approval Process

Partners must submit an application through the official Ruijie NFR request form. Ruijie will review all applications and approve eligible requests based on availability and partner status.

Approved applicants will receive a unique reference number for order processing.

Order & Delivery

Orders will be fulfilled based on stock availability, and Ruijie reserves the right to modify or discontinue the promotion at any time.

Delivery times may vary based on location and stock levels.

Usage & Compliance

Products obtained through the NFR program cannot be resold, redistributed, or used for commercial installations.

Partners may be required to provide feedback or participate in case studies related to their experience with Ruijie products.

General Conditions

Ruijie reserves the right to verify compliance with these terms and disqualify participants who misuse the program. Ruijie may amend or terminate the promotion at any time without prior notice. By participating, partners agree to Ruijie's terms and conditions for promotional programs.
