

Mayflex, Axis and Ruijie Reyee Customer Briefing – London

Join us for an informative afternoon event where you'll discover why Axis is the ideal choice for your security needs and why Ruijie Reyee excels in networking and wireless solutions.

Event Highlights

Brand Insights: Get up to speed on the latest offerings from Axis and Ruijie Reyee.

Product Showcase: Explore the M-Tech area and see the full range of products on display.

Socialise: Join us for a drink or two after the event.

Before the briefing, enjoy a complimentary lunch and if you have time afterwards, please join us for a drink and network with the Mayflex, Axis and Ruijie teams and industry peers.
